A visiting yacht is entitled to visit New Zealand for up to 24 months without the need for the yacht to be imported into New Zealand. Simply apply for a Temporary Import Entry (TIE) certificate from New Zealand customs prior to arrival in New Zealand.

Exempt Goods & Services Tax (GST) of 15%

A visiting yacht entered on a TIE may purchase goods, equipment and services 'zero rated' of GST if the goods or services are to form part of the yacht and exported with the yacht.

This also includes berthage costs, repairs or refitting work completed whilst in New Zealand. NB: The process is simple with the GST not charged at point of purchase on production of the TIE certificate to the supplier of goods or services.
